

Achieving Better Care by Monitoring All Prescriptions (ABC-MAP)

Act 191 of 2014

ABC-MAP Board Meeting
April 24, 2018

Agenda

- Old Business
 - Review/approve January 23, 2018, board meeting minutes
- New Business
 - Initiative Updates
- Adjournment

PA PDMP Office Updates

■ Initiatives

- Compliance Activities
- Data Sharing Initiative
- Prescriber Education Initiative
- EHR and Pharmacy System Integration
- Interactive Data Report
- Overdose Fatal and Non-Fatal Surveillance

Prescriber Education Initiative

Progress

- Culture change assessment:
 - About 115 health care site visits completed to assess culture change among leadership and identify prescriber education opportunities.
- Education materials consist of seven modules.
- Each module includes pocket cards, flow diagrams, resource flyers, etc., for prescribers and dispensers.

Prescriber Education Initiative

Progress

- CMEs are available for free.
- Information is available on the PDMP website.
- Targeted face-to-face education in top 15 counties through contracted vendors.
- Online training available through TRAIN PA. This set-up will be completed by April 30th.
- E-mail blasts to all licensees in PA will be sent out in early May.

Counties	Number of Sessions		Healthcare Professionals Educated	
	Q1 2018	Q2 2018	Q1 2018	Q2 2018
Montgomery	0	1	0	3
Lehigh	0	1	0	19
Philadelphia	0	1	0	7
Washington	1	0	32	0
Delaware	0	1	0	1
Quarter Total	1	4	32	30
Grand Total	5		62	

EHR and Pharmacy System Integration

Progress

Status	Count	Approx. count of providers/pharmacy stores
Integration applications received	505	14,255
In Process	73	24,090
Integration complete	43	8,145
On hold*	93	667
Total	714	47,157

- Currently, 73 integrations are in progress and 11 of them are health systems (Jefferson Health, Lancaster General Health, Allied Services Integrated Health System, UPMC, Lehigh Valley Health Network, Pinnacle Health Hospitals, Geisinger, Conemaugh Health System, Temple University Health System, VA Stars & Stripes Healthcare Network (VHA) & Guthrie Healthcare).

EHR and Pharmacy System Integration

Progress of Integrations Completed

Business Type	Count	Count of providers/stores
Private Practice	34	724
Pharmacy	5	21
Health System	3	4,835
Independent Hospital	1	2,565
Total	43	8,145

- CHOP went live with their integration in March.
- Penn Medicine and Lancaster General Hospital went live with their integrations in April.

Interactive Data Report

Contact Information

For questions about the interactive data report, please consult the technical notes or email pa-dh-pdmp@pa.gov.

Disclaimer

The PDMP Office is continuously working to improve the quality and timeliness of the data. The interactive data report represents a snapshot of PDMP and overdose data as of the date they were analyzed and is subject to change.

Opioid and Heroin Surveillance

Enhanced State Opioid Overdose Surveillance (ESOOS) CDC Grant Progress:

- Collecting:
 - Hospital ED data of all overdoses¹ (from July 2016 – Present)
 - EMS data of all overdoses (from January 2018 - Present)
 - Death data (from 2017)
- Collaborating with PA MEs/Coroners to collect 2017 overdose death (OD) data
 - 26 coroners on board, 7 in discussion
 - Working closely with other partners that collect OD death data

¹Submitting data to the opioid command center on a weekly basis.

Future Initiatives

- By Q3 2018
 - Prescriber Feedback Reports
 - Clinical Alerts in the PDMP system
